

Painted Coil

Ready When You Are

We're stocked with metal to supply fabricators, service centers, OEMs and architectural/commercial manufacturers throughout the world. For over 50 years, we've served a wide variety of industries including transportation, lighting, remodeling and signage.

From painting to fabrication, Amerimax is committed to providing superior quality metal solutions, professional customer service and outstanding value. Amerimax produces single or multiple coatings, precision painted graphics and embossing, customized to your specifications, with rapid turnaround for just-in-time orders. We're your single invoice source for coated aluminum products.
