Coil Coating Services

Amerimax has an extensive knowledge of coating applications, metal handling, slitting and embossing. Our company facilities are designed for cost competitiveness and quality performance. We utilize state-of-the-art equipment and detailed procedures, along with a dedicated team approach and expert personnel to ensure we provide value-added results.

- Precision painted graphics (linear and non-linear) and embossing
- Painted coil up to 56" (60" to 102" by special request)
- Rotogravure and Flexographic printing available
- Any color can be supplied at any gloss level
- Small (10,000 lbs.) or large production runs
- Single or multiple coatings

A broad selection of standard paint colors and embossed textures are available in any gloss level to expedite your order.

You can depend on Amerimax Coated Products, Inc. for the highest level of quality, service, value and on-time delivery. **Contact Amerimax today at 800-448-4033 or inquiries@amerimaxbp.com** for product specifications and additional information.
